**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, February 12, 2019:

MINUTE entry before the Honorable Susan E. Cox: Status and Motion hearing held. Motion hearing held. Plaintiff's motion to quash [154] is granted. For the reasons discussed in open court, the Court finds that more narrowly tailored subpoena seeking call logs for Plaintiffs' telephone calls in the first instance would be more appropriate in this matter. Defendants' Motion for Extension of Time [151], [153] is granted in part, and denied in part. The Court will not reach any issues relating to the timing of Monell discovery until the district court has ruled on the pending motion to bifurcate discovery. However, the Court will grant an additional 90 days for fact discovery. The new fact discovery deadline is set for 6/3/19. Defendants' Motion to Compel [156] is denied without prejudice. The Court believes that a more appropriate method for producing Plaintiffs' Social Security Administration records is to allow Plaintiff to request them from the agency and produce them to Defendants following a 48-hour review period. The Court orders that Plaintiffs must alert the Defendants as soon as the records are received and the 48-hour review period begins. Status hearing set for 3/19/2019 at 9:30 a.m. Mailed notice (np, )
